3. Press Review - External Items. Abd al-Aziz MU'MINAH, an-Nadwa commentator, discussed South Vietnam and urged the U.S. to get out of that country and let its people exercise the right of self-determination. Mu'minah charged that the series of "meaningless" coups and counter- coups among South Vietnamese military leaders will continue so long as the U.S. remains in that country "against the will of the Vietnamese people." The writer also asserted that the U.S. Government now recognizes that victory in South Vietnam is impossible and is looking for a dignified way to withdraw from Southeast Asia.
